WASHINGTON, D. C.

April 17, 1943

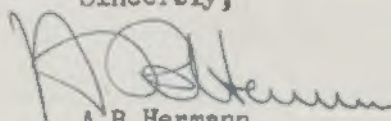

Dear Mrs. Manley :

I am taking the liberty of acknowledging your letter of the 15th in the absence of Senator Barbour who has been ill and obliged to remain away from the office for several weeks.

In the meantime, you may wish to consider this a tentative acceptance of the kind invitation of the Newark Eagles to have the Senator attend the opening of the Negro National League season at Ruppert Stadium on Sunday afternoon at two o'clock, May 16th, but I would like to emphasize that you please do not construe my letter as definite assurance that the Senator will be present, for I do not know just when he will be able to return or whether his physician will permit him to participate in public functions.

With kind regards and assuring you that I will bring your kind invitation to the Senator's personal attention on his return, believe me

Sincerely,

A.B. Hermann
Secretary
